

Dear Mr Lewis

Order Ref: 1417

Date: 15/03/22.

As a long established local company we are keen to continually improve our service by learning from our customers.

We would appreciate it if you would help us by describing your overall impression of our service from your recent experience with us.

Very impressed with the service provided by Ashford Kitchens & Interiors. Everyone that I dealt with was extremely helpful and professional. Nothing appeared to be too much trouble for the team and each enquiry was dealt with promptly and efficiently. The installation team were superb and despite the amount of preparation work required pre-installation left no mess whatsoever. We are more than happy with our new kitchen and would have no hesitation in not only using Ashford again but also in recommending them to our local friends and neighbours.

Please tick the boxes under the appropriate headings to indicate your response to each question.
